I. Purpose

The purpose of this Administrative Directive (ADM) is to issue the 2017 domestic violence state aid rates (DVSARs) for licensed domestic violence (DV) residential programs outside of the five boroughs of New York City (Rest of State). These DVSARs are for the period January 1, 2017, to December 31, 2017. A separate directive is issued annually for licensed DV residential programs located within the five boroughs of New York City.

II. Background

The New York State Office of Children and Family Services (OCFS) issues DVSARs annually to local departments of social services (LDSSs) in an ADM, advising them of the methodology approved by the New York State Division of the Budget (DOB) for the purchase of services from licensed agencies providing residential DV services. Rates contained in these ADMs must be used by the LDSSs in the contracts they negotiate with voluntary agency providers of DV services. Issuance of these rates is governed by Social Services Law §131-u and the applicable regulations at 18 NYCRR Part 408.

III. Program Implications

The DVSARs promulgated in this ADM have been calculated using the DOB-approved 2017 DV rate methodology for residential rest-of-state programs, which is the same methodology used in previous years except for the elimination of a "surplus penalty" (see 16-OCFS-ADM-03).

The approved rate methodology for licensed residential rest-of-state DV programs includes the following features:

- The DV Per Diem Rates for 2017 have been approved with the following cost-of-living adjustment (COLA) factors:
 - Personal Service (PS) = 0.2 percent
 - Non-Personal Service (NPS) = 0.2 percent
 - Food Add-On = 0.8 percent
- DV Per Diem Rates established by the LDSSs prior to the implementation of the current DV rate methodology continue to be grandfathered in where those rates are higher than the applicable DV Flat Per Diem Rate. Affected programs will continue to receive the higher of either the grandfathered-in rate or the DV Flat Per Diem Rate as the basis for determining the current DVSARs for those programs.
- Programs that reported surpluses from government income in the base year will no longer have DVSARs that reflect a calculated rate reduction factor. The revision made in 16-OCFS-ADM-03 of the DVSAR allocation methodology that was originally set forth in 92-LCM-34 has eliminated the surplus penalty from the DVSAR methodology.
- The Food Add-On component of the DVSARs is a negotiated item between the DV residential program agency and the LDSS where the program is located. The Food Add-On is included in DVSARs when the agency and the LDSS formally request the Food Add-On Rate in writing to OCFS. Thereafter, the Food Add-On Rate is included as part of the DVSAR for the specified program until OCFS is notified otherwise.
- OCFS will consider revisions to the DVSAR for the following reasons:

- The Food Add-On Rate needs to be either added or deleted from the DVSAR; or
- The DVSAR reflects an incorrect DV Flat Rate Per Diem for the program type and size.

Agencies have thirty (30) days from the issuance of a DVSAR to appeal the published rate. All appeals must be in writing and mailed to:

IV. Required Action

The DVSAR rates noted in Attachments A and C must be paid by the LDSS to licensed DV residential agencies providing residential care to eligible victims of domestic violence during the period of January 1, 2017, to December 31, 2017.

V. Effective Date

The effective date of this policy is January 1, 2017.
