Appendix M #1: Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities

I. Reasonable Distance

Define "reasonable distance" based on community standards for determining accessible child care.

1. The following defines "reasonable distance":

Reasonable distance is defined in Lewis County as 20 minutes off the direct route to employment activities.

2. Describe any steps/consultations made to arrive at your definition:

Decisions will be made case by case, based on availability of providers in the area. Lewis County is a rural county, and there are not an abundance of providers.

II. Recertification Period

The district's recertification period for low income child care cases is every:

- Six months
- Twelve months

III. Family Share

"Family Share" is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Family Share Percentage selected by the district:
25%

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).

IV. Very Low Income

Define "very low income" as it is used in determining priorities for child care benefits.

"Very Low Income" is defined as **100%** of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:

- Rank 1
- Rank 2
- Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:

- Rank 1
- Rank 2
- Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:

- Rank 1
- Rank 2
- Rank 3

2. Does the district have local priorities?

- Yes
- No

If yes, list them below and rank beginning with Rank 4.

Appendix M #2: Case Openings, Case Closings, and Waiting List

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds

become available. Select one of the options listed below and describe the process for opening.

- 1. Open cases based on **FIRST COME, FIRST SERVED**.
- 2. Open cases based on **INCOME**.

If opening based on income...

- The district will open cases starting from the lowest income to the highest income.
- The district will open cases based on income bands, starting from the lowest income band to the highest income band.

If using income bands, list the bands, starting from the one that will be opened first:

- 3. Open cases based on **CATEGORY OF FAMILY**.
- 4. Open cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Open cases based on **OTHER CRITERIA**.

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Select one of the options listed below and describe the process for closing.

- 1. Close cases based on **AMOUNT OF TIME** receiving child care services.
- 2. Close cases based on **INCOME**.
- 3. Close cases based on **CATEGORY OF FAMILY**.
- 4. Close cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Close cases based on **OTHER CRITERIA**.

Describe the criteria the district will use to select cases to be closed:

The "special needs" category will not be closed. Nor will the income levels under 100%. We will take a look at income levels and length of time on the program, with the highest income and the longest time on the childcare program being the first to close.

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

No

Yes

Appendix M #3: Fraud and Abuse Control Activities and Inspections

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

FEDS: The department will refer cases to the FEDS/Investigation Unit if they meet any of the criteria established in the County's Front End Detection System Plan of Operation. These criteria include the 5 State-Mandated indicators and several optional indicators selected by the county.

EVR: The department will refer 2 cases every other month to the Investigation Unit. Cases are picked randomly for review.

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

The district cannot use criteria such as the age of provider, the gender of provider, a post office box address, or evidence that the child lives in the same residence as the provider as indicators in drawing the sample.

Each child care case is recertified every 12 months, at which time the district verifies the continued need for child care services.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

Community Action Planning Council randomly checks providers each month.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

1. Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
2. Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

Does the district choose to make inspections of such child care providers/programs?

- No.
- Yes. Provide the details of your inspections plan below.

The following *types* of subsidized child care providers/programs are subject to this requirement:

- Legally-Exempt Child Care**
 - In-Home
 - Family Child Care
 - Group programs not operating under the auspices of another government agency
 - Group programs operating under the auspices of another government agency

 - Licensed or Registered Child Care**
 - Family Day Care

Appendix Q: Additional Local Standards for Child Care Providers

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

- Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject
- Local criminal background check
- Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP).
Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."

- Provider's volunteer

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person **resides** outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the **program's site of care is located outside** of the subsidy-paying district.
- c. The district will not apply this additional local standard when **the informal provider is younger than 18 years** of age.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

- Local social services staff
Provide the name of the unit and contact person:
Child Care Unit, Caroline Virkler
- Contracted agency (must correspond to Appendix K, Question 3b)
Provide the name of the agency and contact person:

Note: Costs associated with the additional local standard cannot be passed on to the provider.

4. Are there any fees or other costs associated with the additional local standard?

- Yes
- No

Note: Costs associated with the additional local standard cannot be passed on to the provider.

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not met" or is "not applicable" and monitor its timeliness. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

The district will conduct a local criminal background check to assist the Enrollment Agency in verifying the accuracy of the attestations pertaining to the criminal convictions history of the individuals checked in question #2 above.

The district will provide an OCFS-approved, district-created Criminal Background Check Authorization and Release Form in the enrollment package, which will authorize the local criminal history database check. The individuals specified in question #2, will be required to complete and sign the Criminal Background Check Authorization and Release Form, which allows the local criminal history check. The individual checked in question #2 will be instructed to return the enrollment package to the Enrollment Agency including the completed and signed Criminal Background Check Authorization and Release Form.

If the individual(s) specified in question #2 refuse to complete, sign, and/or submit the Criminal Background Check Authorization and Release Form, the enrollment package will be considered incomplete. As a result, the enrollment process cannot move forward and the enrollment package will be withdrawn by the Enrollment Agency in accordance with OCFS policy.

To initiate the additional standards check, per 12-OCFS-OLCM-01, the Child Care Facility System will automatically generate the E-Notice, LE-CCFS LD-003, Legally Exempt Additional Standard Referral, to inform the local district that the additional standards check must be conducted. Designated district staff must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons subject to the additional local standard, specified in question #2 above, to obtain specific information regarding the child caregiver(s) for whom Legally Exempt Additional Standard Reviews must be conducted.

For all applicable individuals on the CCFS report, LE-CCFS LD-003 Legally-Exempt Additional Standard Referral Notification, the district will arrange through the county attorney's office for a local database check for criminal convictions using the Online Lexis Nexis tool. If the search results in the findings of a misdemeanor and/or felony conviction(s), the district's child care unit staff will provide the conviction information in writing to the Enrollment Agency. Per 18 NYCRR 415.4(f)(7)(l) and in accordance with the Guide to Enrollment, the Enrollment Agency will evaluate any conviction(s) found in the database check and any discrepancies between the results of the database check and the sworn statement of the applicable individual(s).

In accordance with 12-OCFS-LCM-01, Lewis County Department of Social Services will complete the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, and send it to the applicable Enrollment Agency to notify the Enrollment Agency of the determination of: "Met" or "Not Met."

6. Indicate how frequently the additional local standard will be applied. Answer both questions.

1. The Standard will be applied:

- At initial enrollment and re-opening
- At each re-enrollment

2. The district will assess compliance with the additional local standard:

- During the enrollment **review** period, and the district will notify the Enrollment Agency of the

results within 25 days from the E-Notice referral date.

During the 12-month enrollment period, and the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

Lewis County wants to ensure the health and safety of children that are in the care of legally exempt child care providers.

6. List any limitations on the above providers' eligibility for payment for absences:

3. Enter the number of days allowed for program closures (maximum allowable time for program closures is five days):

5

4. List the allowable program closures for which the district will provide payment.

When there is a contract with a Day Care Center, we will pay up to (5) five days per year for inclement weather and/or holidays including New Years, Memorial Day, Labor Day, Thanksgiving and Christmas.

Note: Legally-exempt family child care and in-home child care providers are not allowed to be reimbursed for program closures.

Appendix T: Transportation, Differential Payment Rates, Enhanced Market Rate for

Legally-Exempt Family and In-Home Providers, and Sleep

1. Are there circumstances where the district will reimburse for transportation?

- No
- Yes

2. If the district will reimburse for transportation, describe any circumstances and limitations the district will use to reimburse. Include what type of transportation will be reimbursed (public and/or private) and how much your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter "5%" or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

| Differential Payment Rate Category | Differential Payment Rate Percent | Instructions |
|--|-----------------------------------|---|
| Homelessness: Licensed and Registered Providers State required minimum of 5% | 5% | Enter a percentage (%): 5% to 15%. (Must enter at least 5%) |
| Homelessness: Legally-Exempt Providers | 0% | Enter 0% or a percentage (%) up to 15%. |
| Non-traditional Hours: All Providers State required minimum of 5% | 5% | Enter a percentage (%): 5% to 15%. (Must enter at least 5%) |
| Nationally Accredited Programs: Licensed and Registered Providers <i>Legally-exempt child care providers are not eligible for a differential payment rate for accreditation.</i> | 0% | Enter 0% or a percentage (%) from 5% to 15%. |

2. Generally, differential payment rates may not exceed 25% above the applicable market rate or actual cost of care. However, a district may request a waiver from the Office to establish a payment rate that is in excess of 25% above the applicable market rate upon showing that the 25% maximum is insufficient to provide access within the district to child care providers or services that offer care addressing more than one of the differential payment rate categories. However, if your district wants to establish a payment rate that is more than 25% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access to such child care providers or services.

III. Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers

1. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

- No
- Yes

2. If yes, indicate percent, not to exceed 75% of the child care market rate established for registered family day care.

%

IV. Sleep

1. Does the district choose to pay for child care services while a caretaker that works a second or third shift sleeps?

- No
- Yes

2. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

The parent will report to the district what hours he/she is working.

Appendix U: Child Care Exceeding 24 Hours, Child Care Services Unit, Waivers, and Breaks in Activities

I. Child Care Exceeding 24 Hours

1. Child care services may exceed 24 consecutive hours when such services are provided on a short-term emergency basis or in other situations where the caretaker's approved activity necessitates care for 24 hours on a limited basis. Check below under what circumstances the district will pay for child care exceeding 24 hours.

- On a short-term or emergency basis
- The caretaker's approved activity necessitates care for 24 hours on a limited basis

2. Describe any limitations on the payment of child care services that exceed 24 consecutive hours.

II. Child Care Services Unit (CCSU)

III. Waivers

1. Districts have the authority to request a waiver of any regulatory provision that is non-statutory. The waiver must be approved by OCFs before it can be implemented. Describe and justify why your district is requesting a waiver.

IV. Breaks in Activities

1. Districts may pay for child care services for low-income families during breaks in activities either for a period not to exceed two weeks or for a period not to exceed four weeks when child care arrangements would otherwise be lost and the subsequent activity is expected to begin within that period. If your district will pay for breaks in activities, indicate below for how long of a break that the district will pay for (check one):

- Two weeks
- Four weeks

2. Districts may provide child care services while the caretaker is waiting to enter an approved

activity or employment or on a break between approved activities. The following low-income families are eligible for child care services during a break in activities (check all that are eligible):
