Appendix M #1: Reasonable Distance, Recertification Period, Family Share, Very Low Income, Federal and Local Priorities

I. Reasonable Distance for Public Assistance Recipients to Travel to Child Care and Work

Define "reasonable distance" based on community standards for determining accessible child care.

1. The following defines "reasonable distance":

For eligible recipients using their own vehicle or public transportation, reasonable distance shall not exceed one hour and/or 60 miles going one way from home to the day care provider and then to the employer.

2. Describe any steps/consultations made to arrive at your definition:

Historical availability of day care providers, employment opportunities and public transportation available in the Capital Region.

II. Recertification Period

The district's recertification period for low income child care cases is every:

- Six months
- Twelve months

III. Family Share

"Family Share" is the weekly amount paid towards the costs of the child care services by the child's parent or caretaker. Your district must select a family share percentage from 10% to 35% to use in calculating the

amount of family share. The weekly family share of child care costs is calculated by applying the family share percentage against the amount of the family's annual gross income that is in excess of the State Income Standard divided by 52.

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS) and the Child Care Time and Attendance (CCTA) system.

Family Share Percentage selected by the district:

25%

Additional Description of this Family Share Percentage:

retroactive to 8/1/19. (35% prior to that).

Note: The family share percentage selected here must match the percentage entered in the Program Matrix in the Welfare Management System (WMS).

IV. Very Low Income

Define "very low income" as it is used in determining priorities for child care benefits.

"Very Low Income" is defined as **125%** of the State Income Standard.

V. Federal and Local Priorities

1. The district must rank the federally mandated priorities. Cases that are ranked 1 have the highest priority for receiving child care assistance. These rankings apply to case closings and case openings.

a. Very low income as defined in Section IV:

Rank 1

Rank 2

Rank 3

b. Families with incomes up to 200% of the State Income Standard that have a child with special needs and a need for child care:

Rank 1

Rank 2

Rank 3

c. Families with incomes up to 200% of the State Income Standard that are experiencing homelessness:

Rank 1

Rank 2

Rank 3

2. Does the district have local priorities?

Yes

No

If yes, list them below and rank beginning with Rank 4.

#4 Families whose income is at or below 125% of the State Income Standard

#5 Families whose income is between 126% and 150% of the State Income Standard

#6 Families whose income is between 151% and 175% of the State Income Standard

#7 Families whose income is between 176% and 200% of the State Income Standard

Appendix M #2: Case Openings, Case Closings, and Waiting List

I. Case Openings When Funds Are Limited

If a social services district does not have sufficient funds to provide child care services to all families who are applying, the district may decide to open certain categories of families as funds become available. The district must open federal priorities first. If the district identified local priorities, they must be opened next. **After the federal and local priorities**, identify the basis upon which the district will open cases if funds become available. Select one of the options listed below and describe the process for opening.

- 1. Open cases based on **FIRST COME, FIRST SERVED.**
- 2. Open cases based on **INCOME.**

If opening based on income...

- The district will open cases starting from the lowest income to the highest income.
- The district will open cases based on income bands, starting from the lowest income band to the highest income band.

If using income bands, list the bands, starting from the one that will be opened first:

Families whose income is at or below 125% of the State Income Standard.

Families whose income is at or below 150%-126% of the State Income Standard.

Families whose income is between 175%-151% of the State Income Standard.

Families whose income is between 200%-176% of the State Income Standard.

- 3. Open cases based on **CATEGORY OF FAMILY.**
- 4. Open cases based on **INCOME AND CATEGORY OF FAMILY.**
- 5. Open cases based on **OTHER CRITERIA.**

II. Case Closings When Sufficient Funds Are Not Available

If a social services district does not have sufficient funds to continue to provide child care assistance to all families in its current caseload, the district may decide to discontinue child care assistance to certain categories of families. The district must close federal priorities last. If the district identified local priorities, they must be closed next to last. **After the federal and local priorities**, describe the basis upon which the district will close cases if sufficient funds are not available.

If no priorities are established beyond the federally mandated priorities and all funds are committed, case closings for families that are not eligible under a child care guarantee and are not under a federally mandated priority must be based on the length of time they have received services (must choose #1 below).

Select one of the options listed below and describe the process for closing.

- 1. Close cases based on **AMOUNT OF TIME** receiving child care services.
- 2. Close cases based on **INCOME**.

If closing based on income...

- The district will close cases starting from the highest income to the lowest income.
- The district will close cases based on income bands, starting from the highest income band to the lowest income band.

If using income bands, list the bands, starting from the one that will be closed first:

Families with incomes between 200%-176% of the State Income Standard.

Families with incomes between 175%-151% of the State Income Standard.

Families iwth incomes between 150%-126% of the State Income Standard.

Families whose income is at or below 125% of the State Income Standard.

- 3. Close cases based on **CATEGORY OF FAMILY**.
- 4. Close cases based on **INCOME AND CATEGORY OF FAMILY**.
- 5. Close cases based on **OTHER CRITERIA**.

III. Waiting List

The district will establish a waiting list when there are not sufficient funds to open all eligible cases.

- No
- Yes

Appendix M #3: Fraud and Abuse Control Activities and Inspections

I. Fraud and Abuse Control Activities

1. Describe below the criteria the district will use to determine which child care subsidy applications suggest a higher than acceptable risk for fraudulent or erroneous child care subsidy payments in addition to procedures for referring such applications to the district's front-end detection system.

Prior fraud.

Documents/information inconsistent with application.

Children with no birth certificates.

Post office box for mailing address.

No information on missing parent.

Termination of employment.

2. Describe the sampling methodology used to determine which cases will require verification of an applicant's or recipient's continued need for child care, including, as applicable, verification of participation in employment, education, or other required activities.

The district cannot use criteria such as the age of provider, the gender of provider, a post office box address, or evidence that the child lives in the same residence as the provider as indicators in drawing the sample.

At the re-certification, the eligibility worker matches the hours on the authorizations to the bills. Verifications are solicited from employers and programs; discrepancies are referred to the Fraud Unit.

3. Describe the sampling methodology used to determine which providers of subsidized child care services will be reviewed for the purpose of comparing the child care provider's attendance forms for children receiving subsidized child care services with any Child and Adult Care Food Program inspection forms to verify that child care was actually provided on the days listed on the attendance forms.

The Department's process for this is that the Food Program makes phone calls to the Eligibility Unit and asks for information about the number of children authorized to be in the providers' care. Any inconsistencies reported to the eligibility worker/supervisor are referred to the Fraud Unit. The Eligibility Unit will review all referrals from the Food Program.

II. Inspections of Child Care Provider Records and Premises

The district may choose to make announced or unannounced inspections of the records and premises of any provider/program that provides child care for subsidized children to determine if the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the social services district per 18 NYCRR §415.4(h)(3).

The district has the right to make inspections *prior to subsidized children receiving care* of any child care provider, including care in a home, to determine whether the child care provider is in compliance with applicable laws and regulations and any additional requirements imposed on such a provider by the district.

The district must report violations of regulations as follows:

1. Violations by a licensed or registered child care provider must be reported to the applicable Office of Children and Families (OCFS) Regional Office.
2. Violations by an enrolled or enrolling legally-exempt child care provider must be reported to the applicable Enrollment Agency.

Does the district choose to make inspections of such child care providers/programs?

- No.
- Yes. Provide the details of your inspections plan below.

Check the organization that will be responsible for conducting inspections:

- Local social services staff
Provide the name of the unit and contact person:
- Contracted Agency *(must correspond to Appendix K, Question 3f)*

Appendix Q: Additional Local Standards for Child Care Providers

The district may propose local standards in addition to the State standards for legally-exempt providers who will receive child care subsidies issued by the district. This appendix must be completed for **each** additional local standard that the district wants to implement.

The district must coordinate with the local Enrollment Agency, including, but not limited to:

- Informing the Enrollment Agency of the intent to request an additional standard.
- Developing the stepwise process referenced in Question 5.
- Ensuring that no significant burden of work shall be incurred by the Enrollment Agency as a result of the additional local standard, unless such work is addressed in a separate contract or a formal agreement is in place, which are referenced in Question 3.
- Sharing any consent/release form that may be required.
- Keeping the Enrollment Agency informed of the approval status.

1. Select the additional local standard that will be required of child care providers/programs.

- Verification, using the district's local records, that the provider has given the caretaker complete and accurate information regarding any report of child abuse or maltreatment in which he or she is named as an indicated subject
- Local criminal background check
- Require providers caring for subsidized children for 30 or more hours a week participate in the Child and Adult Care Food Program (CACFP).

Note that districts are required to notify the Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, of all providers on the referral list for whom the requirement is "not applicable."

- Site visits by the district
- Other

2a. Exceptions: There may be instances when the district may be unable to enact the additional standard, such as, the applicable person may reside outside of the district's jurisdiction, or the site of care may not be located within the district. In such cases, the district may create an exception to the applicability stated above.

Note: The Child Care Facility System cannot track such exceptions and, therefore, the district remains responsible for notifying the applicable Enrollment Agency, using the OCFS-2114, District Notification to Legally-Exempt Caregiver Enrollment Agency, that an additional standard is "not applicable" to the specific provider/person named on the referral list.

Place a check mark below to show any exception to the applicability of this Local Additional Standard to programs or roles previously identified.

- a. The district will not apply this additional local standard when the applicable person **resides** outside of the subsidy-paying district.
- b. The district will not apply this additional local standard when the **program's site of care is located outside** of the subsidy-paying district.

3. Districts are responsible for implementation of the additional local standard unless they have a formal agreement or contract with another organization. Check the organization that will be responsible for the implementation of the additional local standard.

- Local social services staff
Provide the name of the unit and contact person:
Nicole Brousseau Child Protective Unit
- Contracted agency (must correspond to Appendix K, Question 3b)
Provide the name of the agency and contact person:

Note: Costs associated with the additional local standard cannot be passed on to the provider.

4. Are there any fees or other costs associated with the additional local standard?

- Yes
- No

Note: Costs associated with the additional local standard cannot be passed on to the provider.

5. Describe, in chronological order, the steps for conducting the additional local standard. Include how the district will retrieve referrals from CCFS, communicate with providers and other applicable persons, determine compliance with the additional local standard, inform the Enrollment Agency whether the additional local standard has been "met," "not met" or is "not applicable" and monitor its timeliness. Include all agencies involved and their roles. Note that the district's procedures must be in accordance with 12-OCFS-LCM-01.

The individual specified in question #2 above will be asked to sign an authorization which will allow the Schenectady County Department of Social services to conduct a check of the local child welfare records related to the child care attestations for the sole purpose of verifying the accuracy of the information submitted to the parent/caretaker per 415.13(a)(3)(iv). If the individual specified in question #2 above refuses to sign the authorization, the enrollment package will be considered incomplete and the enrollment process cannot move forward and will be withdrawn by the enrollment agency in accordance with State policy.

To initiate the additional standards check, per 12-OCFS_LCM-01 the Child Care Facility System will automatically generate the E-Notice, LE-CCFS-LD-003 Legally - Exempt Additional Standard Referral Notification to inform the local district that the additional standards check must be conducted. The designated district must run the CCFS report, LE Additional Local Standard Referral List to obtain the list of persons subject to the additional local standard as specified in question #2 above to obtain specific information regarding the persons for whom Legally Exempt Additional Standard(s) Review(s) must be conducted.

The above named Supervisor A of Child Protective Services will conduct the check of the local child

welfare database to verify the accuracy of the information submitted to the parent/caretaker. When the local records check reveals that the individual specified in question #2 above is an indicated subject of a child abuse or maltreatment report, the proposed child care provider will be required to submit to Schenectady County DSS a copy of the written statement provided to the parent/caretaker concerning the indicated incident(s). This statement must be signed by the parent/caretaker acknowledging receipt of the information and the parent/caretaker's wish to use this child care provider. If the information regarding the indicated child protective report submitted by the provider does not substantially correlate with the information obtained during the local records check related to the child care attestations, the Schenectady County DSS will notify the provider that he/she has ten (10) calendar days to clarify the discrepancies in the information submitted to the DSS and parent/caretaker.

The determination will be made as follows:

Not Met

- if the provider fails to clarify the discrepancies.

Met

-if the information submitted by the provider correlates with the information obtained from the local database check and the parent/caretaker still chooses to use the provider.

- When the local records check does not reveal a record wherein the person was an indicated subject of a child abuse or maltreatment report.

-The Supervisor A of Central Intake will fax or email the 2114 form to the enrollment agency indicating whether or not the additional standard has been met.

6. Indicate how frequently the additional local standard will be applied. Answer both questions.

1. The Standard will be applied:

At initial enrollment and re-opening

At each re-enrollment

2. The district will assess compliance with the additional local standard:

*During the enrollment **review** period*, and the district will notify the Enrollment Agency of the results within 25 days from the E-Notice referral date.

During the 12-month enrollment period, and the district will notify the Enrollment Agency of the results promptly. Note that this option is always applicable to an additional local standard requiring participation in CACFP.

7. Describe the justification for the additional local standard in the space below.

Legally exempt family child care and in-home care providers are caring for young vulnerable children utilize tax payer dollars. Ensuring the safety of children in daycare settings is of paramount importance. Providers with extensive histories of child abuse, maltreatment in their families present a heightened risk to these children.

your district will pay (per mile or trip). Note that if the district is paying for transportation, the Program Matrix in the Welfare Management System (WMS) should reflect this choice.

II. Differential Payment Rates

1. Districts must complete the Differential Payment Rate Percent (%) column in the table below for each of the four (4) differential payment rate categories. For the two (2) categories that require a state minimum five percent (5%) differential payment rate, the district must enter "5%" or, if it chooses, a higher rate up to 15%.

The other two (2) differential payment rate categories in the table below are optional. If the district chooses not to set differential payment rates, the district must enter zero. If the district chooses to set a differential payment rate, enter the appropriate percentage up to 15 percent (15%). Note that if the district selects a differential payment rate for nationally accredited programs, then that rate must be in the range of five percent (5%) to 15 percent (15%).

Differential Payment Rate Category	Differential Payment Rate Percent	Instructions
Homelessness: Licensed and Registered Providers State required minimum of 5%	15%	Enter a percentage (%): 5% to 15%. (<i>Must enter at least 5%</i>)
Homelessness: Legally-Exempt Providers	15%	Enter 0% or a percentage (%) up to 15%.

Nationally Accredited Programs: Licensed and Registered Providers <i>Legally-exempt child care providers are not eligible for a differential payment rate for accreditation.</i>	15%	Enter 0% or a percentage (%) from 5% to 15%.

2. Generally, differential payment rates may not exceed 25% above the applicable market rate or actual cost of care. However, a district may request a waiver from the Office to establish a payment rate that is in excess of 25% above the applicable market rate upon showing that the 25% maximum is insufficient to provide access within the district to child care providers or services that offer care addressing more than one of the differential payment rate categories. However, if your district wants to establish a payment rate that is more than 25% above the applicable market rate, describe below why the 25% maximum is insufficient to provide access to such child care providers or services.

III. Increased Enhanced Market Rate for Legally-Exempt Family and In-Home Child Care Providers

1. The enhanced market rate for legally-exempt family and legally-exempt in-home child care providers who have completed 10 or more hours of training annually is a 70% differential applied to the market rates established for registered family day care. Indicate if the district is electing to establish a payment rate that is in excess of the enhanced market rate for legally-exempt family and in-home child care providers who have completed 10 or more hours of training annually and the training has been verified by the legally-exempt caregiver enrollment agency.

No

Yes

2. If yes, indicate the percent (71%–75%), not to exceed 75% of the child care market rate established for

Schenectady County: Child Care

registered family day care.

%

IV. Enhanced Market Rates for Legally-Exempt Group Child Care Programs

Answer both questions:

1. Indicate if the district is electing to establish an enhanced market rate for child care services provided by legally-exempt group child care programs that have prepared an approved health care plan and have at least one caregiver in each classroom with age appropriate cardiopulmonary resuscitation (CPR) certification and the enhanced requirements have been verified by the enrollment agency.

No

Yes

If yes, indicate the percent (76%–81%), not to exceed 81% of the applicable market rate for day care centers.

%

2. Indicate if the district is electing to establish an enhanced market rate for child care services provided by legally-exempt group child care programs when, in addition to the training required in 18 NYCRR §415.4(f), the caregiver has completed an approved course and a minimum of 15 hours of approved training annually and each employee with a caregiving role completes a minimum of 5 hours of approved training annually and the enhanced requirements have been verified by the enrollment agency.

No

Yes

If yes, indicate the percent (76%–81%), not to exceed 81% of the applicable market rate for day care centers.

%

If a district chooses to establish both legally-exempt group child care enhanced rates and a program is eligible for both enhanced rates, then the enhanced market rate must be based on the percentages selected for each individual market rate, up to a maximum of 87%.

V. Sleep

1. Does the district choose to pay for child care services while a caretaker that works a second or third shift sleeps?

No

Yes

2. The following describes the standards the district will use to evaluate whether to pay for child care services while a caretaker that works a second or third shift sleeps, as well as any limitations pertaining to payment:

3. Indicate the number of hours allowed by your district per day (maximum number of hours allowed is eight).

Appendix U: Child Care Exceeding 24 Hours, Child Care Services Unit, Waivers, and Breaks in Activities

I. Child Care Exceeding 24 Hours

1. Child care services may exceed 24 consecutive hours when such services are provided on a short-term emergency basis or in other situations where the caretaker's approved activity necessitates care for 24 hours on a limited basis. Check below under what circumstances the district will pay for child care exceeding 24 hours.

- On a short-term or emergency basis
- The caretaker's approved activity necessitates care for 24 hours on a limited basis

2. Describe any limitations on the payment of child care services that exceed 24 consecutive hours.

The provider must seek prior approval from the Services Director or the Commissioner, prior to providing 24 hour care. The provider must detail (verbally or in writing) the reason for the 24 hour care and the duration. Approval will be based on the nature of the emergency, availability of informal supports, and the duration of the care to be provided.

in the CCSU.

The 18 or 19 year old is still in high school or is a recent participant in high school, and is still dependent on the family for support.

III. Waivers

1. Districts have the authority to request a waiver of any regulatory provision that is non-statutory. The waiver must be approved by OCFS before it can be implemented. Describe and justify why your district is requesting a waiver.

IV. Breaks in Activities

1. Districts may pay for child care services for low-income families during breaks in activities either for a period not to exceed two weeks or for a period not to exceed four weeks when child care arrangements would otherwise be lost and the subsequent activity is expected to begin within that period. If your district will pay for breaks in activities, indicate below for how long of a break that the district will pay for (check one):

- Two weeks
- Four weeks
- The district will not pay for breaks in activities

2. Districts may provide child care services while the caretaker is waiting to enter an approved activity or employment or on a break between approved activities. The following low-income families are eligible for child care services during a break in activities (check all that are eligible):
